participated in the project

## EMPOWERINCLUSIVE

in Köln, Germany

from 14/05/2025 to 14/05/2025

### About the project

The project aims to empower youth and young adults especially from disadvantaged backgrounds through digital skills, career guidance, and entrepreneurial education, with a strong emphasis on AI and data literacy. It creates a multilingual Open Educational Resource (OER) platform, hosts international and local dialogue workshops, and facilitates a Model United Nations (MUN)-style training to foster debate and leadership.

This certificate has been issued by Palast der Löwin .
